

Frazier Mountain High School

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Frazier Mountain High School
Street	700 Falcon Way
City, State, Zip	Lebec, CA 93243-0876
Phone Number	661.248.0310
Principal	Sara Haflich
Email Address	shaflich@el-tejon.k12.ca.us
School Website	fm.el-tejon.k12.ca.us
County-District-School (CDS) Code	15751681530401

2022-23 District Contact Information

District Name	El Tejon Unified School District
Phone Number	661.248.6247
Superintendent	Sara Haflich
Email Address	shaflich@el-tejon.k12.ca.us

2022-23 School Overview

FRAZIER MOUNTAIN HIGH SCHOOL.

Vision Statement

Frazier Mountain High School provides a program that meets the individual educational needs of each student in a safe and positive environment with the goal of preparing each student to be a confident and productive citizen.

FRAZIER MOUNTAIN HIGH SCHOOL

MISSION STATEMENT

Frazier Mountain High School's mission is to develop academically prepared life-long learners who can take advantage of post-secondary opportunities with competent life and career skills, accept responsibility for their actions, and understand their role as a productive citizen in a democratic society through the teachings of a highly qualified staff in a secure and supportive environment.

Frazier Mountain High School's Student Learner Outcomes

Student Learner Outcomes F.A.L.C.O.N.S

Falcon Students will be:

Articulate Communicators

FMHS students will demonstrate effective communication and collaboration skills through articulate and comprehensive written, verbal, and visual presentations.

Life Long Critical Learners

FMHS students will engage in higher order critical thinking practices by effectively participating in complex, independent and collaborative tasks across all disciplines.

2022-23 School Overview

College and Career Professionals

FMHS students will complete an “a-g” aligned curriculum, engage in a college and career readiness program, and develop the personal resiliency to successfully meet their post-secondary goals.

Outstanding Citizens

FMHS students will be responsible, productive citizens with a broad scope of educational experiences to help them make informed life decisions.

INnovators in Technology

FMHS students will use 21st Century technology as a tool to solve problems, conduct research, organize, manage projects, and perform complex tasks integrating various forms of technology.

Scholars

FMHS students will demonstrate academic literacy by engaging in rigorous reading, coherent writing, and scholarly research across all disciplines.

School Profile

Frazier Mountain High School is a comprehensive high school whose goal is to meet the needs of all students. Many students are prepared to take advantage of the higher education programs offered at University of California campuses, California State Universities, and Community Colleges. In addition, this comprehensive high school provides vocational and academic educational opportunities for all of its students with agriculture, Comtec academy, fine arts, and regional occupational programs including fire science, food services and technology. The school complements its educational excellence with strong athletic programs, clubs, and social activities, contributing in many ways to the development of the mountain communities' youth. FMHS's reputation for success extends beyond our community. Several championship quality athletic teams, along with an active FFA chartered club, VIVA and Spanish clubs, Glee club, and robotics team represents the widespread diversity of activities available to Frazier Mountain students. We have also developed an after school program by partnering with Focus Central to offer drama, costume and set design Thursday of each week. Frazier Mountain High School is an ever-changing school, which continually adjusts to meet the needs of the local community. A major strength is that the staff, students, administration, parents, and community work together for continued development. FMHS is continuing their monthly newsletter along with an up to date website and on-line newspaper The Falcon Beat, which are controlled by our electronic journalism class in order to continue developing communication between the schools and the community. We are also working closely with the Frazier Park Community Library to bring informational meetings and workshops to the community about bullying, suicide prevention, and upcoming programs being developed at FMHS. Frazier Mountain High School serves approximately 300 students in ninth through twelfth grades. It is one of three schools in the El Tejon Unified School District. The other two schools are: Frazier Park School, which serves students in kindergarten through fourth grades and El Tejon School, which serves students in the fifth through eighth grades. FMHS is working hard to develop an on-going relationship between the high school's Peer Helping class and ASB with the junior high's Safe School Ambassador's club and ASB. Junior High students visit the high school campus regularly for training by the high school students. Frazier Mountain High School is located west of Interstate 5 between the towns of Gorman and Lebec. Opened in August of 1995, it was the first high school in the El Tejon Unified School District. FMHS serves the mountain communities of Lebec, Pinon Pines, Cuddy Valley, Lockwood Valley, Frazier Park, Lake of the Woods, Pine Mountain Club, and the western Antelope Valley, which includes Neenach. The combined population of the greater Frazier Park area served by the El Tejon Unified School District is approximately 5,000. The area served by the school is primarily small, residential communities with a diverse socio-economic spectrum. The local economy is based on commercial businesses that cater primarily to travelers through the I-5 corridor. Due to limited job opportunities in the area, many parents commute north to Bakersfield (80-120 miles round-trip), or south to the Los Angeles area (80-120 miles round-trip).

FMHS is a very diverse, well rounded high school which is WASC accredited.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
-------------	--------------------

2022-23 Student Enrollment by Student Group

Student Group

Percent of Total Enrollment

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Permits and Waivers		
Misassignments		
Vacant Positions		
Total Teachers Without Credentials and Misassignments		

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver		
Local Assignment Options		
Total Out-of-Field Teachers		

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

A committee of the core academic instructors, in conjunction with the District Curriculum Committee, recommends textbooks. Additionally, texts considered for purchase are on public display in the school library and public comments are solicited. Recommendations for text purchases are forwarded to the Superintendent, who, in turn, makes a recommendation to the Board of Trustees. All students are assigned textbooks. Each student has access to his/her own copies of the Standards-aligned, state-approved textbooks and instructional materials.

Frazier Mountain High School provides the following Visual and Performing Arts courses:

- Art
- Photography

Year and month in which the data were collected February 2021

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent	Percent Students Lacking Own

		Adoption ?	Assigned Copy
Reading/Language Arts	Houghton Mifflin Harcourt	Yes	0%
Mathematics	Big Ideas Learning/2015	Yes	0%
Science	Houghton Mifflin Harcourt 2020	Yes	0%
History-Social Science	McGraw Hill 2020	Yes	0%

Health	Holt, Rinchart, and Winston	Yes	0%
Visual and Performing Arts			
Science Laboratory Equipment (grades 9-12)			

School Facility Conditions and Planned Improvements

Frazier Mountain High School received a "good" rating on all sections of the FIT report, except the interior category, where it received a "fair" rating. All aspects of the school are clean, safe, and in good repair except: a few cluttered classrooms, stained ceiling and walls, and a broken faucet. The campus of Frazier Mountain High School was opened in August of 1995. The campus is well maintained and clean. An upgrade of the entire HVAC system was completed at the beginning of the 2006 school year. A custodian is on-site regularly throughout the day, and has an assigned maintenance worker. Frazier Mountain High is a closed campus. Student safety is vitally important. There is a full-time campus supervisor on staff. This position provides campus supervision during the school day. Many instructors and other staff members assist in the supervision of the campus before, during, and after school, including lunchtime and during bus loading and unloading before and after school. The school has 21 regular classrooms, one science lab, a library, a computer lab, a multipurpose room, and one special education resource room. Athletic facilities include a gymnasium, outside basketball courts, softball, and baseball and football fields. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner.

Year and month of the most recent FIT report

Overall Facility Rate

Exemplary	Good	Fair	Poor
	X		

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A		N/A		N/A	
Mathematics (grades 3-8 and 11)	N/A		N/A		N/A	

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students

2021-22 Career Technical Education Programs

All students at FMHS are required to complete Success 101 their freshman year. This course uses the Career Choices curriculum and is a year-long course. Within this time, students research a variety of different career options within all ranges. They take field trips, listen to guest speakers, and end up completing an on-line 10 year plan which will take them successfully through high school and into which ever post-secondary education their 10 year plan requires. FMHS is currently working with Bakersfield College to make this class a dual enrollment class. Students re-visit their 10 year plan every year within their English classes to make revisions as needed. Students also have the choice moving into their sophomore year to enter the Com Tech Academy where students specialize in a field of technology. Their choices range from: computer navigators, desk top publishing, small business, yearbook, electronic journalism, web design, and animation. Students also have the opportunity to enter our Agriculture pathway where they learn a range of skills including: horticulture, mechanics, woodworking, floral design, animal science, among other skills, Art pathway which offers: Visual Arts, 2D and 3D Arts and AP classes. FMHS also offers a semester course in both fire science, law enforcement, and computer applications, where upon completion; they receive a certificate which certifies them to enter the field out of high school. FMHS continues to investigate other ways to bring career technical education to our students.

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
-------------	----------------------------------	--	---	---	-----------------------------

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

All parents had the opportunity to participate in surveys helping to create our distance learning and COVID-19 Safety plan. In addition, at the beginning of each year a letter is sent home asking for parents to sign up to be part of our school site council. Parents have access to Illuminate to check their students' grades, assignments, and attendance. The teachers, councilor, and principal all have open door policies to parents in order to establish a positive successful environment for all students. Parent conferences are held in October of every year, and multiple workshops are held for parents with our Cal-Soap College representative in order to provide frequent, up to date help with college admission and A-G requirements. Parents are also invited to help on the Booster Club in order to fund raise and provide services for the sports program. All parents have access to view their student's daily attendance, grades, and assignments through our Illuminate Parent Portal, making it easier to work with the teachers in keeping their child on track.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions			
Expulsions			

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

Students with Disabilities		

2022-23 School Safety Plan

FMHS follows all procedures included in the districts COVID-19 Safety Plan. This plan can be found on the ETUSD website: el-tejon.k12.ca.us. Students and staff participate in regularly scheduled fire and lockdown drills. The Kern County Fire Department assesses the adequacy of emergency procedures and conducts yearly school safety inspections, all in accordance with a comprehensive School Safety Plan developed by a committee of staff and community members, which is updated annually. Additionally, Frazier Mountain High School and all schools in the El Tejon Unified School District now participate in a statewide emergency drill known as the "Great Shake Out." Included in the School Safety Plan is a specific Emergency Plan that addresses emergency preparedness, and is in compliance with California Standardized Emergency Management Systems (SEMS). This plan was developed in cooperation with local officials, and includes specific courses of action to be taken in case of an emergency. Emergency supplies are kept in each classroom, and school wide emergency supplies are also maintained in a shipping container on campus. These plans can be found in the school office at Frazier Mountain High School, online at www.el-tejon.org, and also at the school district office. All plans were last reviewed and updated in October 2017. On a daily basis, yard and cafeteria supervision is provided by both classified and certificated personnel. In order to provide maximum security for all students, all visitors must report to the school office to obtain visitor passes.

This year FMHS strictly follows ETUSD's Covid-19 safety plan, which can be located on the ETUSD website: el-tejon.k12.ca.us

FMHS has one campus supervisor and one campus security who help keep the campus safe as well.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered Where there are student course enrollments of at least one student.	

Professional Development

Professional development throughout the El Tejon Unified School District is structured around the goals and objectives outlined in the school site's Single Plan for Student Achievement. These goals are in support of the district's LCAP and LEA Plans. Training and curriculum development revolves around and is focused on student and teacher needs. Over the past year, time for district wide professional development has been built into each week on Wednesday afternoons. Two days a month are district/administrator driven and the other two days are teacher driven.

This year the district's professional development focus includes: focus groups in math, English/social studies, science, and chronic absenteeism. Power standards have been identified and local assessments created.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement	36	36
